

Summer Program Information and Registration Form

The African savannah comes to life with Simba, Nala, Rafiki, Mufasa, Scar, Timon, Pumbaa, and other favorites from Disney's blockbuster of the screen and stage as Simba journeys away from Pride Rock and back again in this inspiring, coming-of-age tale. In addition to the lead roles, an ensemble will create the animals and landscape of the African pridelands, deserts, and jungles!

NBYT's summer production for ages 7 through 14 will hold rehearsals over a four-week half-day program (Mondays through Fridays) with a weekend of performances at the end of the program. **All children who register will be cast in the show.** Roles will be determined based on pre-program auditions to be scheduled in June. Over the course of the program, the cast will rehearse the performance—including music and choreography—and will also help to make some of the props and costumes to be used in the show. Registration includes a free show shirt.
